Attendees:

Suzanne Lyons, Chair, City of Lakeport
Rick Coel, County of Lake
Cheri Holden, Business owner
Joey Luis, Business Owner

1. Introductions

2. Old Business

- Discussion of recent member activities promoting storm water issues and concerns.
- Question of whether time document forms can be submitted by e-mail yet. Dan Buffalo not present, so need to get answer From Dan. Also question on whether county website has been updated and if water logo is on every link to Storm Water info.
- Question as to where power point info for construction site can be located. Is it online? Rick Coel will see if he can get each link to be a button with the Clean Water logo as the button. Deb C. will evaluate links when completed.
- Discussion on use of existing glossy flier with out of date info. Rick will see if county can print new ones with correct info on lighter stock paper. What would be the best method of distributing? Rick will work with Vorhis Brumfeldt on this.
- Suzanne tried a campaign with Lakeport Main St. Assn. using the fliers; not as successful as hoped. She might try again later in the year.
- Dan will bring survey to work group soon.
- Funding was discussed. What can we do with zero funding? We could do discussions on radio. Suzanne will speak to Steve and Katherine Alias. Joey will speak to Alan at bi-costal media.
- Cheri suggested LYRS workshops and grants. Brewery was suggested and possibly the Yacht Club.
- Joey will speak with the Board of Realtors about what disclosures need to go to people buying lakeshore property.
- Discussion of creating a Tule Man logo and bumper sticker with campaign.
- Cheri's film will be at the Arts Council March 12th 7-9 pm.
- Suzanne handed out info on tules and how to plant them.

3. New Business – Action Items

- Suzanne will start working on school boards to have students at middle schools make moving posters showing what people can do to prevent storm water pollution from entering lake.
- Joey will speak to Lumber Co.'s for ½ sheets of plywood. Suzanne will go to Piedmont.
- Suzanne will speak to Caroline Chavez in Kim Clymire's office about paint.
- Volunteers are still an issue. We need some. Lori Peters at Clearlake Chamber is successful with this. Members expressed strong desire to contact her.
- Sarah will look into 319 grants.
- Rick will review permit process for encroachments.
- Joey will check on pond to grow tules.
- Rick and Sarah will investigate where the tules have gone.
- Sarah will contact DFG about status of planting/harvesting tules. Brochures with tax mailers.
- Rich-check with DPW on cleaning ditches.
- Joey will find out from Clearlake Public Works about standing markers for storm drains in that city.

4. Adjournment

- 10:45 AM
