

NEWS RELEASE

Lakeport Police Department
916 N. Forbes Street
Lakeport, CA 95453
(707) 263-5491

October 9, 2006

For further information contact Chief Kevin Burke at (707) 263-5491.

The Lakeport Police Department is conducting a twenty-question community survey in order to measure how safe people feel in Library Park following the installation of security cameras and enactment of the new alcoholic beverage ordinance. The results of this survey will be published in November and will be used by us to evaluate our new Park Safety Plan.

The survey should take no longer than 15 minutes to complete. We are encouraging the community to participate in this survey and hope that people will take the time to complete it. The survey is anonymous and confidential. It can be completed on line, by clicking the "Take Our Park Safety Survey" link on the Lakeport Police Department Website, located at www.lakeportpolice.org , or it can be completed in person, by picking up a copy of the survey at the Lakeport Police Department, or Lakeport City Hall, and returning it to either location.

Kevin Burke
Chief of Police
