### **LAKEPORT POLICE SEEK ASSISTANCE IN IDENTIFYING SUSPECT IN REPORTED STRONG-ARM ROBBERY**

**April 3, 2012**

A strong-arm robbery was reported on 04/03/12, at approximately 1815 hrs, at the corner of N. Main Street and Mariah Way near Del Lago in Lakeport. A 15 year old male juvenile reported being hit in the face and knocked to the ground by a medium dark skinned male approximately 5'10", wearing a black hooded sweatshirt or jacket, possibly with a red "P" on the front, faded blue jeans, and tan boots or shoes.

After knocking the victim down, the suspect took a black leather tri-fold wallet that has a silver medallion in one corner. The wallet contained a one dollar bill, a Taco Bell gift card, and a thermometer card. The suspect was last seen walking South on Main Street and may be associated with a small black compact car with black tinted windows.

Responding officers checked the area and were unable to locate the suspect. The victim was not injured, other than having a "red mark" on the right side of his face where he reported being hit.

The investigation is continuing and anyone with information on the incident is asked to contact Officer Gary Basor at the Lakeport Police Department.
