We would like you to know that you are truly appreciated for your dedication to serving your community. Thank You!

Our volunteer staff is made up of a group of selfless individuals who dedicate their time and efforts to serve by assisting the Lakeport Police Department. Whether it is providing traffic control at our local schools, security at a local event, assisting with office duties or assisting in multi agency tasks, our volunteers fulfill their duties with the utmost professionalism and dedication. Our volunteers provide support, education, assistance and other services to our community on a daily basis. Whatever the task assigned our volunteers are willing, able and efficient at what they do. Without our volunteers we would be lacking in several areas. It is because of individuals like these that our department and community thrive in the areas where their efforts are focused. Once again we would like to recognize and thank them for their dedication.
